FORT RUCKER UNION DONATES \$3,000 TO GREATER TSUD DEVELOPMENT FUND

The International Association of Machinists and Aerospace Workers, Local Lodge 2003 of Daleville, contributed its largest donation ever recently with a gift of \$3,000 and a plaque to officials of Troy State University at Dothan and The Greater TSUD Development Fund.

The presentation was accepted by TSUD President Thomas Harrison at the April 4 meeting which was also attended by Dr. Jack R. Sublette, Vice President for Student Affairs and Development at TSUD, and Al Childs, the chairman of the Regional Counties subcommittee of the fund drive and an administrative assistant for development at the University.

"Our people believe that we are better on our jobs because of how we educate our children and the education we give them," said R. O. Smith, President of Local 2003 of the union's decision to contribute to the drive.

Harrison graciously accepted the money and told the group that their donation was special to the TSUD cause. "This \$3,000, coming from outside Dothan and outside of any personal interest that anyone might have, is one of the most exciting things that has happened to us. This is tremendous in that you who represent the working people of America, the backbone of society, are committed to a university that wants to provide a quality education for those people who work and attend classes at the same time.

"This \$3,000 will go a long way in ensuring that the construction of our new campus is going to begin."

INFORMATION BOOKLET PUBLISHED FOR USE IN GREATER TSUD DEVELOPMENT FUND

As a part of its effort to raise funds for the relocation of the TSUD campus, The Greater TSUD Development Fund now has a brochure to distribute to those people from whom it is soliciting contributions. In addition to a statement from A. C. Allen, Jr., and Pierce Flatt, co-chairmen of the fund drive, the booklet contains information about the subcommittees, the history, goals, and mission of TSUD, academic programs available, a message from President Harrison, and donors' information. An individual copy of the booklet is inserted into this issue of LOGOS.

NEWS FROM

Admissions, Recruiting, and Student Activities

As Robert M. Paul, Jr., prepares to leave TSUD he would like to convey his appreciation to the current administration, co-workers in Student Affairs and Development, the remaining faculty and staff, and the student body for their cooperation and help in establishing a comprehensive program of student activities.

Spring Festival '87 is an example of how we can all work together for the total good of the University. Several University offices joined with the Student Activities Committee and the Community Outreach Committee to put on a marvelous week of student and community activities. Paul would like to thank those who helped in the Activities: "Ain't Misbehavin'," the Bicentennial Speakers Bureau, High School Senior Visitation Day, the hot dog picnic, and the softball game. Students provided significant help: Candice McKnight, Steve Russ, Barbara Schleuter, Doug Hasty, Jim Dykes, David Byrd, Sandra Innes, Debbie Moudry, Tammy Beasley, and the members of Gamma Beta Phi. President Harrison, Dr. Sublette, Dr. Woodham, Dr. Van Loo, Dr. Belsches, Dr. Shoaf, Dr. Anderson, Dr. Davies, Mrs. Jordan, Reta Cordell, Pam Williamson, Lesa Rogers, Gary Watson, Patti Puciloski, Anne McCuistian, and Jonua Brooks are faculty and staff members who gave either their moral or physical support to the week's activities. Angela Turner of the Dothan Jaycees, Bill Hicks of the Coca Cola Bottling Company, Mike Phares of Girard Middle School, Mike Wager of Heritage Baptist Church, and the people at AmSouth Bank all deserve a special thanks for their help.

For Senior Visitation Day, we had approximately ninety high school seniors as our guests for an orientation session, classroom visitation, a campus tour, and the hot dog picnic on Thursday. These students represent Northview High School, Headland High School, Ashford High School, Ashford Academy, Bainbridge High School, Seminole County High School, and Louisville High School.

Paul thanks each and every member of the TSUD Family for their support in making Spring Festival '87 a week for our present and future students to enjoy.

"I shall miss the many friendships and other association I have formed over the last three years. In my resignation I explained to Dr. Sublette that my commitment to this institution runs much deeper than simply being a place of employment. To a certain extent, my entire life has been centered around the development of Troy State University at Dothan, and I am excited about Her future. Good-bye..."

PROPOSAL

The Student Activities Committee recently considered a proposal to recommend that the University adopt a student activity period from 10:30 until 11:00 each day during the fall, winter, and spring quarters. This would involve moving all following morning classes ahead thirty minutes. The proposal is currently being considered by the Student Affairs Committee as well.

Since Troy State University at Dothan is a commuter institution, it is probable that this is the only way in which to give students the opportunity for involvement in campus organizations and activities. Similar plans have been adopted by many junior colleges and other four-year, commuter schools.

Please submit your comments and/or suggestions in writing to Mr. Paul in room M-7 before May 22, 1987.

Alumni Subcommittee/Greater TSUD Development Fund

The Alumni Subcommittee met twice in April to consider ways in which to establish greater contact with alumni and also to get donations for The Greater TSUD Development Fund. Currently under consideration is a quarterly alumni and friends newsletter an upcoming phone-a-thon that should be a follow-up from the appeal letter sent out to alumni and a fund drive letter sent to present students attending TSUD. A memo is being readied for student volunteers to man the phones. Subcommittee members are: Dr. Betty Anderson; Douglas Hasty; Cindy Halcomb; Dr. Betty Kennedy; Gary Watson; Darlene Williams; Pamela Williamson; Dr. Jack Sublette; and, Dr. Shoaf, Chair.

Counseling Services

The Office of Counseling Services sponsored a Drug Awareness Day at TSUD on April 21, 1987. Hosted speaker, David Richburg from the Alabama Citizens Action Program. This seminar was co-sponsored by Charter Woods Hospital, Dothan, Alabama.

CELEBRATION OF WOMEN: ALABAMA WOMEN'S HALL OF FAME

The Alabama Women's Hall of Fame was established at Judson College, Marion, Alabama, in 1970 after several years of consideration and investigation among responsible leaders in the state concerning the needs for this endeavor. The purpose of the Alabama Women's Hall of Fame is to recognize those women native to or identified most closely with the State of Alabama who have made significant contributions on a state, national, or international scale within their professional or personal fields of activity and concern.

The Exhibit being displayed during the Spring Quarter at the Library was prepared by Rebecca Howell, Periodicals Supervisor, in cooperation with Miss Ethel Sanders, and Mrs. Louis Rainer Green, under the direction of Thomas Souter, Dean of the University Libraries (all of TSU/Troy Campus).

School of Business

Business students from Dr. Davis' QM class and Mr. Wood's CIS classes contributed money to purchase a new American flag for TSUD. Mr. Lee Bruton, a recent graduate of our MBA program, contributed \$250 to the TSUD School of Business. Three accounting majors received scholarship funds from the National Association of Accountants. They were honored at a dinner on April 21. Mr. Wood, Ms. Hoekenga, and Dr. Davis participated in the March of Dimes Walk-a-thon on Saturday, April 4.

LOGOS, the Troy State University at Dothan Faculty and Staff Newsletter, is distributed monthly by the Division of Student Affairs and Development. It is intended to be a vehicle for the dissemination of information to employees of the University. Suggestions as to format and content for the LOGOS will be welcomed by the Student Affairs staff. Employees are encouraged to submit data for inclusion no later than the last Wednesday of each month.

TSUD PROVIDES TUITION WAIVER FOR ADULTS RETURNING TO SCHOOL

Adults who have been out of school for a while may find Troy State University at Dothan to be an inviting place beginning with the Summer Quarter in a new University program known as OWLS.

The Older, Wiser Learners' Scholarship has been established for any adult meeting the qualifications to register for one course tuition-free. "OWLS will allow any adult who has not attended a high school, college, or a university for at least three calendar years to enroll tuition-free for one academic course," stated Dr. Jack R. Sublette, the Vice President for Student Affairs and Development at TSUD. "Students will be permitted to register on a space-available basis for a course of their own choosing from the regular schedule of TSUD credit offerings."

The only credit courses that are not open for the OWLS program are those having pre-requisites and those with a limited enrollment. OWLS will be available to individual adults only once.

"TSUD hopes to use this program as a way of motivating adults who have been out of school to return to the classroom," Sublette said. "Once they get back into the academic environment, we hope to see these older, wiser learners complete their education."

Students interested in the OWLS program must apply for admission to the University and submit all required materials.
